PROFESSIONAL SUMMARY

Passionate MERN Stack Developer with hands-on experience in building responsive, high-performance web applications using modern technologies. Focused on writing clean, maintainable code and creating seamless user experiences. Skilled in transforming design mockups into interactive, mobile-first applications and integrating RESTful APIs for dynamic functionality.

TECHNICAL SKILLS

Frontend: React.js, HTML5, CSS3, JavaScript (ES6+), Tailwind CSS, Bootstrap
Backend: Node.js, Express.js, RESTful API Development
Database: MongoDB, Mongoose ODM
Tools & Platforms: Git, GitHub, VS Code, Postman, Netlify

PROJECTS

1. Blood Donation Application
   Live Link: https://animated-druid-2f5fd8.netlify.app
   Tech Stack: React, Node.js, Express, MongoDB, Tailwind CSS
- Developed a full-stack platform connecting blood donors with recipients
- Implemented user authentication (JWT) and secure CRUD operations
- Designed a responsive UI with donor search and filtering functionality
- Integrated RESTful APIs to handle real-time donor data management
2. RentWheels – Car Rental Platform
   Live Link: https://silver-piroshki-d97485.netlify.app
   Tech Stack: React, Tailwind CSS, JavaScript, REST API

- Built a modern car rental interface with search, filter, and booking features
- Ensured mobile-first responsive design for seamless cross-device experience
- Optimized performance using React hooks and efficient state management
- Collaborated with backend developers to integrate API endpoints

---

EDUCATION

- Diploma in Engineering (Computer Science & Technology)
  Mymensingh Polytechnic Institute (2021-2025)
- Secondary School Certificate (SSC)
  Raindia High School (2021)
  GPA: 5.00/5.00

KEY ACHIEVEMENTS

- Developed 5+ responsive web applications using React and modern frontend tools
- Improved application loading speed by 30% through code splitting and asset optimization
- Successfully translated Figma designs into pixel-perfect, interactive UIs
- Built reusable component libraries, reducing future development time by 25%
